RE: WC Docket No. 07-245; GN Docket No. 09-51

Dear Ms. Dortch:

On behalf of Sunesys, LLC ("Sunesys"), and in accordance with Section 1.1206(b) of the Commission's Rules, 47 C.F.R. §1.1206(b), undersigned counsel hereby submits the instant notice of *ex parte* presentation.

Jeffrey Rummel and I from Arent Fox, on behalf of Sunesys, met with Christi Shewman, legal advisor to Commissioner Baker, on January 6, 2010, and Angela Kronenberg, legal advisor to Commissioner Clyburn, on January 7, 2010. During these meetings we discussed the urgent need for the Commission to impose a time period for the issuance of pole attachment permits for all of the reasons set forth in Sunesys' numerous filings in these proceedings. By imposing such a time period, the Commission will, among other things, help to eliminate the delays involved in the issuance of such permits, which delays undermine broadband deployment.

This notice is being electronically filed with the Commission.

Respectfully submitted,

Alan G. Fishel
